Christmas 2024

Season's Greeting!

Little things matter. Ordering for yourself in a restaurant. Deciding what to wear and where to go. Freedom to pick your direction, whether it's walking in the park or through life. Our Kalix staff works hard to assist each person in the program to fill their days and their lives with the things and experiences that bring them joy. When choices are respected, people are happier and ready to learn about life through experience and conversation while participating in all the normal tasks that are part of everybody's life.

We appreciate your support to fund vehicles used to connect people enrolled in Kalix programs with life in Minot/Belcourt/Rolla. Your donations are used to replace aging fleet vehicles so that the 200+ people with disabilities supported by Kalix stay connected. We are again honored to be included in the Inspiritus (formerly St. Joseph's) Community Health Foundation's Twice Blessed program for 2024. Donations made through Twice Blessed will be matched (up to \$10,000) and returned to Kalix to purchase vehicles! You can participate by donating online **OR** by mail:

- Online: <https://inspiritnd.com/project/kalix-minot-vocational-adjustment-workshop/>
- By mail: Write the check to Inspiritus Community Health Foundation (or ICHF)
 - Date the check between November 15 and December 31, 2024
 - Write "Kalix" in the memo line of the check
 - Mail your donation in the enclosed return envelope to ICHF

See www.KalixND.org or www.facebook.com/KalixND to learn more about Kalix. Visit www.KalixND.org/donate or contact your accountant for more information regarding the North Dakota 40% tax credits for endowment contributions over \$5,000.

Thank you for your support – the folks at Kalix appreciate your generosity each time he or she participates in an offsite activity made possible with a vehicle purchased with your assistance!

Sincerely,

Kathleen M. Gaddie

Kathleen Gaddie
Board Member and Fundraising Committee Chair
